Two little boys were at a wedding when one of them leaned over to the other and asked, "How many wives can a man have?" His friend answered, "Sixteen... four better, four worse, four richer, and four poorer."

Don't let your ears hear what your eyes didn't see, and don't let your mouth say what your heart doesn't feel.

We don't get smarter as we get older. There is just less stupid stuff left that we haven't already done.

someone once said to me  
"i don't know how you do it"  
  
I told them  
"i wasn't given a choice"

GOD Promised men that good and obedient wives would be found in all corners of the world. Then he made the earth round... and laughed and laughed...

If you feel like you're losing everything, remember that trees lose their leaves every year and still they stand tall and wait for better days to come.

So today, in church,  
a guy in a dress tried to drown me  
  
And, I kid you not,  
my family just stood there  
taking pictures!

If you pay attention to the patterns of your life you'll realize everything always works out. Everything always takes you to a greater destination. You always grow and the things you think you can't survive you somehow divinely make it through. That's life. Always remember that.

I'm at that stage in my life where I keep myself out of unnecessary arguments, so even if you tell me  $1+1=5$ , you're absolutely correct, enjoy.

1 universe, 8 planets, 204 countries, 804 islands, 7 seas, 7 billion people. Don't let 1 of them ruin your day.

Never laugh at your wife's choices.....

You are one of them!

IF YOU HAVE A BETTER WAY TO HELP ME TO KEEP MY HANDS OFF MY FACE UNTIL THIS PANDEMIC ENDS--I'M ALL EARS.

Like the bunny and the eggs, it's difficult to pinpoint exactly when people started making hot cross buns—sweet rolls studded with raisins or currants and marked with a cross on top—during the week leading up to Easter Sunday. It's said the tradition started in the 12th century with a monk who was inspired to mark his rolls to celebrate Good Friday.

The first written record we have of them dates back to an issue of *Poor Robin's Almanac* from the 1730s:

"Good Friday comes this Month, the old woman runs, With one or two a Penny, hot cross Buns [sic]."

Humans are the only creatures on Earth that will cut down a tree, turn it into paper, then write "save the trees" on it.
