MY KIDS LAUGH
BECAUSE THEY
THINK I'M CRAZY.

I LAUGH BECAUSE
THEY DON'T KNOW
IT'S HEREDITARY.

Some people will not
hear you regardless of
how much, how loud,
how truthful, how loving,
or how profound you speak.
Wish them well and let them go.

*Ships don't sink because
of the water around them;
ships sink because of the
water that gets in them.
Don't let what's happening
around you get inside you
and weigh you down.*

A Canadian not only
has a sense of humour
but they can also spell it.

2020 needs to just
pull over and let me
out...I'll walk

"I believe the world
needs more Canada."

Whatever the flavor your tea,

THE DIFFERENCE IF YOU MARRY AN CANADIAN GIRL

Three friends married women from different parts of the world.....

The first man married a Greek girl. He told her that she was to do the dishes and house cleaning. It took a couple of days, but on the third day, he came home to see a clean house and dishes washed and put away.

The second man married a Thai. He gave his wife orders that she was to do all the cleaning, dishes and the cooking. The first day he didn't see any results, but the next day he saw it was better. By the third day, he saw his house was clean, the dishes were done, and there was a huge dinner on the table.

The third man married a girl from Canada. He ordered her to keep the house cleaned, dishes washed, lawn mowed, laundry washed, and hot meals on the table for every meal. He said the first day he didn't see anything, the second day he didn't see anything either but by the third day, some of the swelling had gone down and he could see a little out of his left eye and his arm was healed enough that he could fix himself a sandwich and load the dishwasher. He still has some difficulty when he pees.

How to catch a Canadian.

There is an island which is disputed territory between Canada and Denmark. The militaries of both countries periodically visit to remove the other guy's flag and leave a bottle of Danish schnapps or Canadian whiskey. This is what happens when nice countries fight.
