People keep asking me,
"Is COVID-19 REALLY that
serious?"

Listen y'all, the casinos
and church's are closed.
When Heaven and Hell
AGREE on the same thing,
it's probably pretty
serious.

While we are all sitting around waiting for the virus to go away,
here's some good advice especially for people over 60!

Begin by standing on a comfortable surface, where you have
plenty of room on each side.

With a **5-lb potato bag** in each hand, extend your arm straight out
from your sides and hold them there as long as you can. Try to
reach a full minute and relax

Each day you'll find that you can hold this position for just a bit
longer.

After a couple of weeks, move up to **10-lb potato bags**. Then
try **50-lb potato bags** and eventually try to get to where you can lift
a 100-lb potato bag in each hand and hold your arms straight for
more than a full minute. (I'm now at this level.)

After you feel confident at that level, put a potato in each bag.

A little boy was waiting for his mother to come out
of Morrisons Store.

As he waited, he was approached by a man who
asked, "Son, can You tell me where the Post Office
is?"

The little boy replied, "Sure! Just go straight down
this street and at the end turn to your right."

The man thanked the boy kindly and said, "I'm the

new minister in town. I'd like for you to come to
church on Sunday. I'll show you how to get To
Heaven."

The little boy replied with a chuckle. "Awww, come
on... You don't even know the way to the Post
Office."

God created the dog and said: 'Sit all day by the door of your house and bark at anyone who comes in or walks past. For this, I will give you a life span of twenty years.'

The dog said: 'That's a long time to be barking. How about only ten years and I'll give you back the other ten?'

So God agreed.

God created the monkey and said: 'Entertain people, do tricks, and make them laugh. For this, I'll give you a twenty-year life span.'

The monkey said: 'Monkey tricks for twenty years? That's a pretty long time to perform. How about I give you back ten like the Dog did?'

And God agreed.

God created the cow and said: 'You must go into the field with the farmer all day long and suffer under the sun, have calves and give milk to support the farmer's family. For this, I will give you a life span of sixty years.'

The cow said: 'That's kind of a tough life you want me to live for sixty years. How about twenty and I'll give back the other forty?'

And God agreed again.

God created man and said: 'Eat, sleep, play, marry and enjoy your life. For this, I'll give you twenty years.'

But man said: 'Only twenty years? Could you possibly give me my twenty, the forty the cow gave back, the ten the monkey gave back, and the ten the dog gave back; that makes eighty, okay?'

'Okay,' said God, 'You asked for it.'

So that is why for our first twenty years we eat, sleep, play and enjoy ourselves. For the next forty years we slave in the sun to support our family. For the next ten years we do monkey tricks to entertain the grandchildren. And for the last ten years we sit on the front porch and bark at everyone.

Life has now been explained to you.
