I told my wife  
she should  
embrace her  
mistakes...  
She hugged me.

## To Mom:

I'm hungry...  
I'm cold...  
I'm hot...  
Can I have...  
I want to watch...  
Where are you?  
Can you ask Dad?  
Can you help me...  
He hurt me...  
She hurt me...  
I want to go there...  
When are we...?  
Why are we...?  
Why can't we?

## To Dad:

Where's Mom?

First God  
created  
man...  
then he  
had a  
better  
idea.

William Golding  
British Novelist, Playwright & Poet  
1911 --1993

I think women are foolish to pretend they are equal to men. They are far superior and always have been. Whatever you give a woman, she will make greater. If you give her sperm, she will give you a baby. If you give her a house she will give you a home. If you give her groceries, she will give you a meal. If you give her a smile, she will give you her heart. She multiplies and enlarges what is given to her. So, if you give her any crap, be ready to receive a ton of shit!

During labor,  
the pain is so  
great that a  
woman...  
can almost  
imagine what a  
man feels like  
when he has  
a cold.

Everybody  
wants to  
change the  
world,  
but nobody  
wants  
to change  
the toilet  
paper.  
*be the change*

My wife just stopped  
and said,  
"You weren't even  
listening were you?"

I thought...  
"that's a pretty weird way to  
start a conversation?"

IF YOU THINK YOU'RE TOO  
SMALL TO MAKE A DIFFERENCE  
YOU HAVEN'T SPENT A NIGHT  
WITH A MOSQUITO.  
- AFRICAN PROVERB

## BRAIN AT 3AM:

I can see you're trying to sleep, so I would like to offer you a selection of every memory, unresolved issue, or things you should have said or done today as well as in the past 40 years!

IF YOU SEE  
YOUR GLASS  
AS HALF EMPTY,  
POUR IT INTO A  
SMALLER GLASS AND  
STOP BITCHING.

technically,  
the glass is always  
full.

Feels like Mother Earth  
just sent us all to our  
rooms to think about  
what we've done.

MY HOUSE GOT TP'D LAST

YOU'RE MADE OF, NOT THE  
CIRCUMSTANCES.

When you find  
no solution  
to a problem,  
it's probably  
not a problem  
to be solved,  
but rather  
a truth  
to be accepted.

me: i want a magical unicorn  
for christmas.

santa: be realistic

me: ok. i want 5 minutes to  
myself each day to drink my  
coffee hot and to pee in  
peace.

santa: what color unicorn  
would you like?

## Some day I'll tell my children

Someday, when my child is old enough to  
appreciate what motivates a parent, I'll tell them...

I loved you enough to bug you about where you were going,  
who with and what time you would be home.  
I loved you enough to worry and nag about your health.  
I loved you enough to choose your temporary upset, in the  
hope that the lessons would bring your longterm happiness.  
I loved you enough to be 'overprotective'.  
I loved you enough to not make excuses for your bad  
manners and lack of respect.  
I loved you enough to choose to put myself last, every day.  
I loved you enough to ignore what 'every other parent' did.  
I loved you enough to remove people that I loved from my life,  
so that I could protect you.  
I loved you enough to let you stumble, fail and fall,  
so that you could learn to stand alone.  
But most of all, I loved you enough to risk you hating me for  
decisions that I made in the hope that I was doing what was  
best for you, that was the hardest part of all.

## 10 Things Your Mom Never Told You

1. You made her cry... a lot.
2. She wanted that last  
piece of pie.
3. It hurt.
4. She was always afraid.
5. She knows she's not  
perfect.
6. She watched you as  
you slept.
7. She carried you a lot  
longer than nine months.
8. It broke her heart  
every time you cried.
9. She put you first.
10. She would do it all again.

HUFF  
POST

If you pay attention to the  
patterns of your life you'll realize  
everything always works out.  
Everything always takes you to a  
greater destination. You always  
grow and the things you think  
you can't survive you somehow  
divinely make it through. That's  
life. Always remember that.

Just because someone  
carries it well doesn't  
mean it isn't heavy.
